Determination of Request:

Below is a brief description of each type of Board of Zoning Appeals Petition. Please review each to determine which type of procedure you need.

Development Standards Variance

A deviation from the Area, Bulk Height and other applicable regulations of a Zoning District contained in the Jeffersonville Zoning Ordinance which governs the physical development of real estate.

The Board may only approve a variance from development standards upon a determination in writing that (1) the approval will not be injurious to the public health, safety, morals, and general welfare of the community; (2) the use and value of the area adjacent to the property included in the variance will not be affected in a substantially adverse manner; and (3) the strict application of the terms of this Ordinance will result in a Practical Difficulty. This situation shall not be self-imposed, nor be based on a perceived reduction of or restriction of economic gain.

Use Variance

The use of land or the use of a building or structure other than that prescribed by the Jeffersonville Zoning Ordinance.

The Board may only approve a use variance upon a determination in writing that (1) the approval will not be injurious to the public health, safety, morals, and general welfare of the community; (2) the use and value of the adjacent areas to the subject property are not adversely affected; (3) the need for a variance stems from a condition unusual or peculiar to the subject property itself; (4) the strict application of the terms of this Ordinance will result in an unnecessary hardship if they were applied to the subject property; and (5) the approval of the variance does not contradict the goals and objectives of the Comprehensive Plan.

Special Exception

The use of land or the use of a building or structure on the land which is allowed in the Zoning District applicable to the land only through the grant of a Special Exception by the Board of Zoning Appeals.

The Board may only approve a use variance upon a determination in writing that (1) the proposal will not be injurious to the public health, safety, morals, and general welfare of the community; (2) the requirements and development standards for the requested use as prescribed by this Ordinance will be met; (3) granting the exception will not subvert the general purposes served by this Ordinance and will not permanently injure other property or uses in the same district and vicinity; and, (4) the proposed use will be consistent with the character of the district therein, the spirit and intent of this Ordinance, and the Jeffersonville Comprehensive Plan.

Administrative Appeal

An appeal from any order, requirement, decision, or determination made by the Staff, Planning Director, administrative board, or other body except the Plan Commission.
